Coriander Leaf Powder

Culinary & Spice Powders · Coriandrum sativum

HSN 0712 90 90 | Food grade | Origin: India | 80–100 mesh

Coriander leaf powder captures the bright, citrusy character of fresh coriander (cilantro) in a dried, easy-to-dose form. It brings the same clean green colour and herbaceous flavour to seasonings, sauces and nutrition blends without the shelf life limits of fresh leaf.
