

Amla Powder

Functional & Nutritional Powders · *Phyllanthus emblica*

HSN 0813 40 90

Food grade

Origin: India

80–100 mesh

Amla, or Indian gooseberry, is one of the most prized fruits in Ayurveda. Our amla powder retains its natural tartness and is widely used in supplements, hair and skin care, and functional foods for its antioxidant reputation.

Herbal blends and teas

ALLERGEN, PACKAGING & COMPLIANCE

HANDLING & COMPLIANCE	
Allergen & dietary	No declarable allergens per EU Reg. 1169/2011 and US FDA FALCPA. Gluten-free, vegan and non-GMO. Produced under GMP in a facility that also handles other plant products; cross-contact is controlled.
Packaging	25 kg net in food-grade multi-wall kraft paper bags with an inner food-grade LDPE/HDPE liner. 1 kg, 5 kg and custom retail or bulk formats, and private-label packing, available on request.
Storage	Store in a cool, dry, hygienic place, away from direct sunlight, moisture and strong odours. Keep containers closed; reseal after opening.
Shelf life	18–24 months from manufacture, in unopened, properly stored packaging
Quality & compliance	Sourced from FSSAI-licensed processing units following ISO 22000 / HACCP food-safety practices. Exported by an APEDA-registered, IEC-holding merchant exporter. Kosher, Halal, BRCGS and organic certification available against specific orders. No added preservatives or synthetic colour.

DISCLAIMER

This document states typical / indicative specifications for guidance only and is not a Certificate of Analysis. Figures vary with crop, grade and drying method. Each shipment is accompanied by a batch-specific COA from the processing unit, which governs the actual delivered specification. Specifications can be tailored to your formulation on request.
