

Fried Onion

Culinary & Spice Powders · Allium cepa

HSN 2005 99 90

Food grade

Origin: India

Flakes / strands

Our fried onion is made from select Indian onions, sliced and fried to a deep golden colour that delivers a rich, caramelised flavour without any bitterness. Available as crispy flakes for garnishing or as a fine powder for blending into seasonings, sauces and ready meals, it adds instant depth with no cooking required.

ALLERGEN, PACKAGING & COMPLIANCE

HANDLING & COMPLIANCE	
Allergen & dietary	No declarable allergens per EU Reg. 1169/2011 and US FDA FALCPA. Gluten-free, vegan and non-GMO. Produced under GMP in a facility that also handles other plant products; cross-contact is controlled.
Packaging	25 kg net in food-grade multi-wall kraft paper bags with an inner food-grade LDPE/HDPE liner. 1 kg, 5 kg and custom retail or bulk formats, and private-label packing, available on request.
Storage	Store in a cool, dry, hygienic place, away from direct sunlight, moisture and strong odours. Keep containers closed; reseal after opening.
Shelf life	24 months from manufacture, in unopened, properly stored packaging
Quality & compliance	Sourced from FSSAI-licensed processing units following ISO 22000 / HACCP food-safety practices. Exported by an APEDA-registered, IEC-holding merchant exporter. Kosher, Halal, BRCGS and organic certification available against specific orders. No added preservatives or synthetic colour.

DISCLAIMER

This document states typical / indicative specifications for guidance only and is not a Certificate of Analysis. Figures vary with crop, grade and drying method. Each shipment is accompanied by a batch-specific COA from the processing unit, which governs the actual delivered specification. Specifications can be tailored to your formulation on request.
