Cumin, coriander, fenugreek and ajwain are not declarable allergens, but are handled in facilities that also process sesame; cross-contact is controlled, and segregated lots can be arranged against a specific order. Gluten-free, vegan and non-GMO. Confirm allergen status against the batch COA and your own market's labelling rules.**
Packaging	**25 kg net in food-grade multi-wall kraft paper bags with an inner food-grade LDPE/HDPE liner. 1 kg, 5 kg and custom retail or bulk formats, and private-label packing, available on request.**
Storage	**Store in a cool, dry, hygienic place, away from direct sunlight, moisture and strong odours. Keep containers closed; reseal after opening.**
Shelf life	**24 months for whole seed spices and 12 months for sesame, from manufacture, in unopened, properly stored packaging**
Quality & compliance	**Sourced from FSSAI-licensed processing units following ISO 22000 / HACCP food-safety practices. Exported by an APEDA-registered, IEC-holding merchant exporter. Kosher, Halal, BRCGS and organic certification available against specific orders. No added preservatives or synthetic colour.**
