

# White Onion Powder

Culinary & Spice Powders · *Allium cepa*

HSN 0712 20 00

Food grade

Origin: India

80–100 mesh

White onion powder offers a cleaner, slightly milder profile and a pale colour that won't tint light-coloured products. It is the go-to choice for white sauces, soups, dressings and seasoning blends where appearance matters as much as taste.

## PRODUCT IDENTIFICATION & SENSORY

| IDENTIFICATION    |                                                     | ORGANOLEPTIC    |                                       |
|-------------------|-----------------------------------------------------|-----------------|---------------------------------------|
| Product name      | White Onion Powder                                  | Appearance      | Powder (granules & kibbled available) |
